

Dr. Peter Bauschatz, M.B.L.-HSG

Peter Bauschatz disposes of long-time experience as a partner of major national and international law firms and works as a lecturer at Augsburg University. For many years, he has been specializing in the tax-centered legal counselling of family-run companies and medium-sized entrepreneurs in connection with corporate acquisitions, company sales, succession planning and restructuring (including financial structuring). Among his clients are major medium-sized companies, family offices and medium-sized investor groups. At the same time, he stands out as an author of numerous specialist publications, including annotations on the German conversion tax act (*Umwandlungssteuergesetz*), the German corporation tax act (*Körperschaftsteuergesetz*) as well as the German income tax act (*Einkommensteuergesetz*).
