

## Maximilian Mersch, LL.M. (Nottingham)

Maximilian Mersch provides comprehensive advice on European and German competition law. His practice focuses on national and international merger control proceedings before the European Commission and the German Federal Cartel Office (*Bundeskartellamt*) as well as advising on general issues related to competition law, especially in connection with M&A transactions. In addition to competition law, Maximilian Mersch also provides corporate law advice on M&A transactions, particularly in the fields of private equity and startups.
